

# Mirovia Group acquires Repona AB – increases their portfolio to include SAP experts

July 13<sup>th</sup> 2022

*Mirovia Group acquires Repona AB, and thereby increases their portfolio to include SAP experts with special competence within finance, logistics, programming and system integration. In 2021, Repona had a revenue of 46,8 SEKm and an EBITDA of 10,3 SEKm.*

Repona was founded in 2006 to create a competent SAP consultancy based in southern Sweden. Today they have offices in Lund and Gothenburg. Repona consists of approximately 25 SAP experts with specialist knowledge in finance, logistics, programming and system integration, and offers system management and implementation of SAP. Thanks to their solid business skills, they know how to set up business processes to be as efficient as possible.

*“We are happy to be able to continue as the small business in a larger context, during these times with demands of a fast and effective digitalisation. Becoming part of Mirovia means that we get stronger muscles and a wider network. This provides very good conditions for a secure and long-term future for all of us at Repona and our customers. When SAP are now changing systems to S/4Hana and to cloud solutions, we will be well prepared for the future”, says Thea Lauren, one of Repona’s founders.*

*“Repona has been specialised in SAP during many years and are one of the best suppliers in Sweden. They will complement our portfolio of companies that specializes in ERP very well. We are very happy that they have chosen to be part of our family” says Sebastian Karlsson, CEO and Co-founder of Mirovia Group.*
